

This information was entered by Damien E Aragon, please note that there is a number that follows the names. That number is the number in my database, example Juan Domingo Romero #5144. Many times family names are the same, so when referring to an individual use their name and number to distinguish between family members. I would like to receive any information that could benefit this family tree. Feel free to E-mail additions, corrections or deletions. E-mail them to me at damien@daragon.net.

Also, please ignore any notes that I sometimes leave in my database. I use them to remind me of items to follow up on.
